ELISABETTA

Born in Florence but raised between Paris and Nairobi, Elisabetta is a true icon of style and grace. She's known for her blog 'Height and Grace', where she shares elegance tips. Her secret? She's always one step ahead-literally!

38517
cm 45
260101/00K242

ETTORE

Ettore is a former advertising professional who, after a 20-year career, decided to pursue design and fashion. He loves Sunday brunch, and his motto is: "Fashion is a matter of instinct!"

THE LED GUYS

VANESSA

Vanessa is a trap queen with a past as an Olympic sprinter. Today, she's a fashion designer and influencer, known for her bold personality and talent for always stealing the spotlight. She's loyal and fierce – but watch out: wherever you go, she'll always be one step ahead!

38518
cm 40
260101/00K242

FRANK

38516
cm 43
260101/00K242

Nicknamed 'The King of Cash,' Frank made his fortune in the cryptocurrency market. A businessman and bon vivant, he's never seen without his cigar. His methods might raise a few eyebrows, but when it comes to business, no one does it better than Frank. A word of advice? Don't argue with him!

RUGGERO

A fallen noble but always impeccably styled, Ruggero is a mix between a Tuscan count and a piano bar crooner. He performs jazz and swing in the most elegant venues. His favorite drink? A Manhattan, of course. Timeless—just like a well-played ballad.

100 e più passioni

BY VALERIA CUNTO

Attraverso il disegno e la fantasia dell'illustratrice e designer torinese Valeria Cunto Palais Royal ha voluto trasformare un oggetto di uso quotidiano in un articolo altamente personalizzato in cui ognuno si possa riconoscere.

Le passioni ci aiutano a superare i nostri limiti, nelle passioni ci piace immergerci per affrontare la quotidianità, le passioni creano le nostre personalità e ci aiutano ad assaporare ogni istante della nostra vita.

La passione inizia al nostro risveglio, dalla colazione, ecco perché il nostro viaggio inizia proprio da qui. E tu? Quale passione vuoi incontrare al tuo risveglio?

Through the design and creativity of Turin-based illustrator and designer Valeria Cunto, Palais Royal wanted to transform an everyday object into a highly personalised item that everyone can recognise themselves in.

Passions help us overcome our limits, in passions we like to dive in to face everyday life, passions create our personalities and help us savour each moment of our lives.

Passions start when we wake up, from breakfast, which is why our journey starts here. What about you? What passion do you want to wake up to?

BELLIMBUSTI

Dei e Dee
Siamo da sempre sedotti dal loro fascino
Non temono nulla, sono invincibili
e al tempo stesso specchio dei vizi
e delle virtù degli uomini
Reinterpretati da Palais Royal per un
Must Have dell'arredamento contemporaneo.

BELLIMBUSTI

Gods and Goddesses
We are seduced by their charm
They fear nothing, they are invincible
and at the same time mirror of the vices
and virtues of men
Reinterpreted by Palais Royal
for a Must Have of contemporary interiors.

FORME LIGHTING

PALAIS ROYAL
Torino

Palais Royal presenta questa esclusiva collezione di lampade che unisce tecnologia, design e funzionalità. Ogni lampada è realizzata in resina in parte derivata da fonti rinnovabili utilizzando la stampa 3D, abbinata ad una elegante base in legno.

Ecco le principali funzioni che rendono queste lampade uniche:

- Ricaricabili: ogni lampada è dotata di una batteria integrata che può essere facilmente ricaricata tramite una porta USB.
- Dimmerabili: con un semplice tocco, è possibile regolare l'intensità luminosa, creando l'atmosfera perfetta per qualsiasi occasione.
- Tre tonalità di luce: calda, naturale e fredda
- Versatilità d'uso: oltre alla loro funzione principale di illuminazione, le lampade possono essere trasformate in eleganti vasi per fiori secchi o finti.

Scopri la collezione "Forme Lighting" sperimenta un nuovo modo di illuminare i tuoi ambienti.

Palais Royal presents this exclusive collection of lamps that combines technology, design and functionality. Each lamp is made of resin partly derived from renewable sources using 3D printing, combined with an elegant wooden base.

Here are the main functions that make these lamps unique:

- *Rechargeable: each lamp comes with a built-in battery that can be easily recharged via a USB port.*
- *Dimmable: with a simple touch, you can adjust the light intensity, creating the perfect atmosphere for any occasion.*
- *Three shades of light: warm, natural and cold*
- *Versatility of use: in addition to their main lighting function, these lamps can be transformed into elegant vases for dried or fake flowers.*

Discover the "Forme Lighting" collection and experience a new way of lighting your environments..
